

## *ITNAmerica® Celebrates 250,000 Rides!*

### **We just hit the 1/4 million milestone!**

Anne C. took the historic ride to the church where her late husband was a minister. "I never thought I'd be back in that church again," she told us. Because of her eyesight, Anne could not have taken this trip without the arm-through-arm service *ITNNorthCentralConnecticut™* provides.

Please help us reach 500,000 rides with a donation to [\*ITNAmerica.\*](#)

Click [here](#) to support dignified transportation for seniors and adults with visual impairments — because they still have people to see, and places to go — and you can help them get there!
